

Virtual Healthcare Training

June 28, 2021

Featured Speakers:

- GMA
- Anthem Blue Cross
- Aetna
- Delta Dental
- UGA Extension

LGRMS, working with GMA as a sponsor, is offering a virtual workshop on June 28th to educate members on how to implement effective solutions to help control increasing healthcare costs.

Learn:

- The Future of Health Care
- Health Care-Current Issues
- What's Driving Health Care Costs
- What's Being Done to Keep Costs Down
- Virtual Health

This program will be useful for county commissioners, town and city council members, administrators, human resources and personnel directors, finance and budget managers, and wellness/health benefit coordinators. The workshop is FREE to local government officials and staff who are members of GMA insurance programs.
