

EXCELLENCE IN POLICING CERTIFICATION PROGRAM

Georgia cities of all sizes can reduce law enforcement liability through the Excellence in Policing Program. The program walks agencies through the process of strengthening departmental policies and practices. It demonstrates a commitment to the highest professional standards, offers peace of mind for city leaders, and prioritizes equity and inclusion.

The Excellence In Policing Certification is a cooperative effort between the Georgia Municipal Association (GMA), Georgia Association of Chiefs of Police (GACP) and Local Government Risk Management Services (LGRMS). This certification is a stepping-stone for cities seeking Georgia Law Enforcement Certification and is a requirement in GMA's Certified City of Diversity, Equity, Inclusion, & Belonging program in the category of Public Safety and Restorative Justice.

CRITERIA

The Excellence In Policing Certification criteria was determined by a committee of 16 members including mayors, police chiefs, attorneys, a community activist and mental health expert. The result is an affordable, achievable, scalable and measurable set of guidelines for public safety agencies. The program is available to cities that participate in GMA's property and liability program, the Georgia Interlocal Risk Management Agency (GIRMA).
